TUMUAKI MESSAGE

Kia ora whānau,
It's hard to believe we are already in Week 8! With just two weeks to go before the end of term, now is the time to keep the momentum going. While it may be tempting to wind down, I encourage all our tamariki and whānau to stay on track and give it your all through to the end!

Every day at school counts. These final weeks are still filled with valuable learning, opportunities to build on routines, and time to strengthen the progress made over the term.

Regular attendance sets our students up for success and helps maintain structure and consistency in their learning.

We're also excited to be running a number of fundraisers in support of our Year 5 & 6 students heading off to camp in Term 4. These events are not only a great way to raise funds, but also to build school spirit and connection. We really appreciate your support - whether that's donating, helping out, or simply encouraging your child to get involved.

As we get closer to the end of term, please help us by making sure your child is wearing the correct school uniform. It helps them feel proud and ready to learn each day. If you need help with any uniform items, just let us know.

Finally, let's continue to build and strengthen routines at home and at school. Routines help our tamariki feel secure, confident, and ready to learn.

Thanks for your ongoing support and partnership in your child's education.

Let's finish the term with purpose and pride!

ATTENDANCE

We're getting closer to the end of the term, and now is the perfect time to remind ourselves just how important showing up each day is! Consistent attendance helps our tamariki stay connected, confident, and on track with their learning.
Back in Week 5, we had an awesome 81 students with perfect attendance — ka rawe! A special congratulations to Pipi and Te Marama, who topped the charts with the highest class attendance that week.
We've now started tracking weekly 100% class attendance, and every time a class hits that goal, they earn points toward a big end-of-term prize. It's still anyone's game — so let's keep pushing!

Week 7 Attendance

Koura - 58%
Paua - 71%
Pipi - 68%
Te Marama - 80%
Te Ra - 35%
Whetu - 56%

👏 Ka mau te wehi, Te Marama and Pāua! You had the highest attendance in Week 7 — keep up the awesome effort!
Let's keep raising the bar for Weeks 8, 9, and 10! Whānau, your continued support makes a real difference — helping your child get a good sleep, a calm start to the day, and making it to school every day is one of the best things you can do for their learning journey.
Every day matters.
Let's do this, WRS! 💪⭐

WHAT'S HAPPENING IN OUR CLASSROOMS IN TERM 3

KOURA

It has been a busy and exciting term for our Kōura learners!

Each week we have been heading to swimming lessons, where everyone has been building confidence in the pool and developing important water safety skills. In Garden to Table, our tamariki have been busy baking delicious banana muffins and helping out in the māra, taking care of the plants and learning how food makes its journey from garden to plate.

We also had our taster visit to Papatoetoe Intermediate. This was a wonderful opportunity for our Year 6s to see what learning might look like next year and start getting excited about their next adventure.

To top it all off, we are currently working on our very own films for the upcoming Film Festival! The creativity, teamwork, and storytelling happening in the classroom has been inspiring, and we can't wait to share our final films with you soon.

TE RA

Te Rā has been enjoying a balance of lots of learning while also having fun. Throughout the term, Te Rā has shown enthusiasm in exploring new ideas and participating in classroom activities.

They have been actively engaged in their learning, showing curiosity and willingness to try new challenges.

At the same time, Te Rā has been able to enjoy fun experiences with their peers. Whether it is during play-based learning, collaborative games, or hands-on activities, they have demonstrated a positive attitude and a joyful approach to learning.

This year, the school has not received the essential funding it typically relies on to cover the cost of camp. As a result, over the next couple of terms, WRS will be running some fun school fundraisers to help get our Year 5 & 6 students to camp in November.

There's absolutely no pressure to take part, but any support is always appreciated. Keep an eye out for more information coming soon!
