

## PRINCIPAL'S MESSAGE

Kia Ora Koutou!

It was so pleasing to be able to reward students and staff members for the work they do to ensure things run well at Wymondley Road School! I enjoy Friday assemblies for this reason. Last Friday students were spoken to about wearing their uniform with pride, and wearing the correct uniform. We will have many assembly practices for prizegiving so it is a must they have correct uniform and be on their best behaviour.

The Walking School Bus is in it's 2nd year. There is still a core group of children that are 'jumping' on the bus. If you are interested in putting your child on the Walking School Bus then please come and see us in the office for more information. To ensure the 'bus' continues to 'walk' we need to have a healthy amount of tamariki using it. So please consider this. Have a fantastic week!

### CHICKEN POX OUTBREAK

Wymondley Road School has had an outbreak of Chicken Pox. We have had two children that have had the illness and they are away for the next couple of weeks.

If your child shows any signs of high temperature and have blistery sores on their body, please take them to your doctors right away.

Please inform the school if your child has Chicken Pox  
Our contact number is 09 276 7241

# Teaching and Learning @ WRS

The first 4 weeks of this term, has been super exciting for Koura. We have just completed our Rugby World Cup study and we are now moving into our next mini project – “Celebrations” creating a memory board highlighting our greatest achievements, learning experiences and memorable moments of 2019. We have been very lucky to be part of the Garden To Table programme learning about food preparation, safety and also gardening skills. It was so cool getting our wheelbarrow licence where we had to safely maneuver the wheelbarrow through a difficult obstacle course within our school garden. The Business Factory Programme has also started in Koura with Matua Ess developing our financial literacy skills. We have learnt about the different types of energy, thanks to the Vector Science Programme and every Friday afternoon we now have Kapa Haka with Matua Busby Noble.

We are looking forward to the second half of the term with more exciting learning experiences!

### NOTICES/ REMINDERS

#### RUNATHON

Our annual runathon will be held on Thursday

21st November at 9.30am. Notices and sponsorship forms have been sent out. Please let us know if you need another one.

The students have been working so hard at fitness that they should do really well this year.

We are lucky to have St Kents coming in to help us run it again!

And on the very same day at 11.30am, we have

#### WYMONDLEY'S GOT TALENT!

All our creative kiddies get to display their talent

In whatever shape of form - dance, song, etc.

Come along to support our tamariki ALL day on

the 21st of November!
