

## WHĀNAU HANDBOOK 2024

**STAND TALL - TU RANGATIRA**

WYMONDLEY ROAD SCHOOL,  
77 WYMONDLEY ROAD, OTARA, AUCKLAND 2025

(09) 276 7241 / 0800 121 458

[WWW.WYMONDLEY.SCHOOL.NZ](http://WWW.WYMONDLEY.SCHOOL.NZ)

# Our Vision

## Motto

Tū Rangatira: Stand Tall

## Our Vision

Learn and Lead with Courage

## Our Mission

Nurture learners that stand tall, strong in character, confident in identity, striving for excellence

## Our Values

### **‘O le ala i le pule o le tautua’**

*‘The pathway to Leadership is through Service’*

<i>Leadership</i>	Leading, guiding, directing others towards achieving a common goal.
<i>Service</i>	The action of helping or doing things for others.
<i>Respect/Whakaute</i>	We care about others feelings and wellbeing
<i>Teamwork/Mahi Tahi</i>	We work together to help each other reach our goals
<i>Integrity/Ngakau Tapatahi</i>	We do the right thing all the time, even when no one is watching
<i>Determination/Hiringa</i>	We always try our best and never, never give up!
<i>Caring/Manaakitanga</i>	We show kindness and caring to others

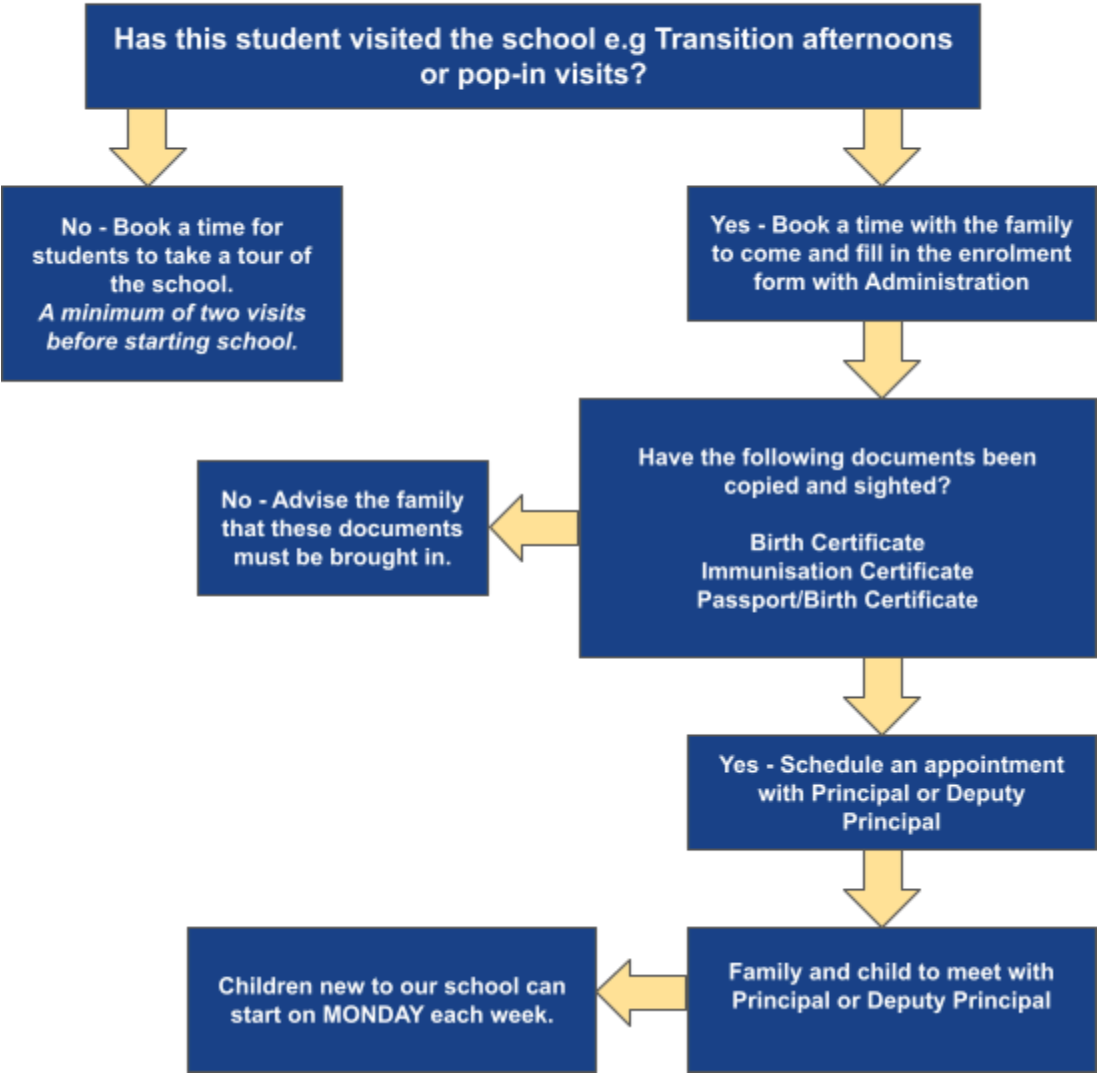

The WRS learner underpins all social and learning interactions in our school where both staff and students are concerned. We believe that it is important that children learn to display the values and learning at all times.

## Enrolling your child

What you need to bring to the office:

- Your child's immunisation record
- Birth Certificate/Passport
  - If your child is a New Zealand citizen please bring in their birth certificate.
  - If your child is not a New Zealand Citizen please bring in your passport and your child's passport and visas

Enrolment Flowchart

## School Board of Trustees

The Board of Trustees meets twice a term throughout the year. Newsletters before each meeting advise the venue, date and time. Parents and caregivers are warmly invited to attend meetings. Copies of board minutes and school policies are available at the school office and online via School website

## School Hours

We strongly recommend children arrive at school ready for learning before 8.30am. They will complete their Daily Express on arrival. School finishes at 2.50pm and children need to be picked up promptly after school. We request that no parents/caregivers enter classes before the end of day bell rings due to health and safety. SKIDS offers an after school programme currently based at Flat Bush. SKIDS do provide a 'pick up' service from Wymondley Road School. WINZ subsidies may be available to you. Please check at the school office for information.

## Attendance

Children are to attend school **every day** unless they are sick or away due to another valid reason. Children are to be at school **by** 8.30am and **at** school until 2.50pm. If you have difficulty getting your child to school, be sure to put them on our Walking School Bus (more information can be obtained from the school office). It is vital your child/ren are punctual and ready for school everyday so that 'their' learning time is protected.

## Leaving School Early

Please talk to your child's teacher first when taking your child off school grounds.

You **MUST** sign your child out at the school office **before** taking them off school grounds, using the VisTab tablet at the front office. Please ensure we have updated personnel details of who is allowed to pick up your child/ren. PLEASE call the office if someone else is picking up your child early. Students will not be released until we can get in contact with you.

## What to do if your child is sick

If your child is away due to an illness, bereavement or another important reason, please contact the school on 09 2767241 or **free for landlines and mobiles on 0800 121 458** before 9.30am. You can also report absences on our website [www.wymondley.school.nz](http://www.wymondley.school.nz) and through **SKOOL LOOP** by downloading the SKOOL LOOP app on your mobile phone and selecting 'Wymondley Road School'. ALL children should otherwise be at school **EVERYDAY**.

## Sickness and Accidents

When a child is feeling unwell they will be sent to the health room. Minor injuries will be attended to in our health room by a staff member. In case of emergencies, medical treatment will be sought immediately and parents notified. In a situation where no one can be contacted, an adult will accompany the child to hospital.

## Update contact details

Please ensure that we have up to date emergency information for your child. You can pop into the office, email the school or send a note to change the details we have on file.

## Fees

In 2024, Wymondley Road School opted into the School/Kura Donations Scheme. You can read more about this scheme here: [bit.ly/wrsdonations](http://bit.ly/wrsdonations).

## **Stationery**

Stationery packs are \$20.00 per child and can be purchased at the school office. These packs are specifically tailored to each year group and will be sent directly to your child's class.

## **School Uniform**

Students must wear black shoes (with white or black socks). Jandals and slip-ons **are not** appropriate footwear for daily activities like technology, food tech, Garden to Table, fitness and sports.

In Term 1 and 4 children must wear a Wymondley Road School hat.  
Uniforms can be purchased from:

### **New Zealand Uniforms**

5/20 Lambie Drive, Manukau, Auckland | (09) 950 6747

### **The Uniform Shoppe/SAS Sport**

1 Ronwood Ave, Manukau, Auckland | (09) 250 1130

**\* Uniforms must be labeled with your child's name clearly.**

## **Lost Property**

Children are encouraged to look after and be responsible for their own belongings. All uniform items should be named. If children miss any clothing they should check the classroom, school grounds and lost property at the school office.

## **Valuables / Money**

Children are encouraged not to bring any personal items of value to school.

## **Contacting the school**

If you have any concerns or would like to know how your child is doing, please contact the teacher by email, phone or come into the school office to make an appointment to see them at a convenient time.

Teachers will contact parents if they have any concerns they need to discuss or if they would like to share your child's success with you. The Principal and Leadership Team have an "open door" policy and are available to meet with you if you have any matters to discuss.

## 2024 WRS Staff

Name	Role	Email
Fleur Petelo	Tumuaki/Principal	fleur@wymondley.school.nz
Sisi Key	Deputy Principal	sisik@wymondley.school.nz
Pearl McQuoid	Secretary	secretary@wymondley.school.nz

Tasha Rukuata	Public Health Nurse	trukuata@thc.org.nz
Inoke Paea	Support Health Worker	Contact the school office
Helen Dillon	SWiS (Social Worker)	helen@taiawa.org.nz

## School Trips

Parents will be notified prior to all school trips. We aim to offer 1 school trip per term for all students with Year 0 & 1 having more frequent opportunities for learning offsite. Parent help is sometimes required. Permission slips will be sent home, and need to be completed and returned to the school in order for your child to attend school trips. However, in the case of walks around the community **a generic permission form will be collected at enrolment**. Entry fee on school trips related to curriculum teaching and learning are paid by the Donation Scheme, however transportation may incur a cost.

## Sun Protection

In Term 1 and 4, children are required to wear a hat when they are outside - for example during interval, lunch, sports, excursions and activities. We have a "No Hat, Play in the Deck area" policy. We require children without hats to play in the shade or indoors. School hats can be purchased with school uniforms from the Uniform Shoppe or NZ Uniforms.

## Car Parks

For the safety of the children walking through the grounds, we ask that **all parents** park **outside** the school grounds and refrain from using the staff car park. We have many visitors to school, if your car is in the school grounds it may be blocked in and at the end of the day children are crossing over the driveway so it becomes a safety hazard. We advise that you park on the road or rear car park. Children being picked up after school will wait on the deck outside Koru.

## Social Worker in School (SWiS) Service

Our social worker is here to support tamariki and their whānau. They are employed by a community agency, Te Tai Awa O Te Ora - 'The Channels of Life'. Their role is to assist and support children and their whānau in any way they can to make life and learning successful for children.

Only whānau that give their consent are seen by the Social Worker and their involvement is totally confidential. If whānau would like support in any way please:

- Contact the school office to find out when the SwiS is in school
- Let your child's class teacher know
- Talk to the Deputy Principal

## Mana Kidz

We have Mana Health Kidz nurses on site every day from 1-3pm. Our nurses attend to the following:

- \* Treat students with positive group A strep infection to prevent Rheumatic Fever
- \* Treat sore skins/skin conditions (eczema, infected skin, scabies, impetigo etc)
- \* Head Lice assessment and treatment
- \* Hearing and vision assessment and referrals
- \* Oral Health "lift the lip" assessment and enrolment form for oral care.

***Please talk to the Deputy Principal if you have any queries***

## Emergency Procedures

To ensure the safety of your children we practice a safety drill once a term. A continuous ringing of the bell signals an emergency. All students/staff/adults are to leave the rooms quickly and assemble in the middle of the field into their class lines.

If the emergency bell rings during the break or an event, students/staff/adults do not return to the buildings, they assemble in the middle of the field into their class lines.

## Lockdowns

In the case of a 'lockdown' due to a serious emergency **ALL** students are kept inside the classroom and **NOT** let out under any circumstances until the 'all-clear' signal is given. The lockdown signal is the repetitive intermittent sounding of the school bell. The 'all-clear' will be announced by the Principal or a member of the Emergency Services. During a lockdown, parents and whānau will not be permitted entry to the school or buildings.

All parents will be communicated information via text/email and our website.

## Reporting to Parents

Parents are welcome anytime during the year to email, phone or come in and speak to a teacher about their child's progress. Akoranga (Learning) Conversations will be held and can be booked through skool loop. At the first conference teachers will set goals with parents for their child. Each family is allocated 10 minutes to discuss their child's goals and learning progress. At any other time, parents are asked to contact/visit their child's teacher if they would like to discuss an issue, problem or concern. After each Akoranga conversation, parents will receive information (goals, mid and end of year report, presentation of work by their child).

## Anniversary Reporting

Anniversary reporting for Junior students when they have been at school for 40, 80 and 120 weeks. You will be contacted by your class teacher and /or the Deputy principal for an interview time for a Learning conversation which will take place within the month of your child's birthday. (These will replace Akoranga for your child).

## Wymondley Online

Whānau and our community can keep updated on school events, student learning, important dates and ideas for helping at home by accessing our online websites.

## Learning Partnership with whānau

	<p><b>Akoranga</b> (learning) conversations are held once each term. The teacher, parent/caregiver/whānau and learner will set goals and their progress and 'next steps' will be shared. Your child will receive a mid-year and end of year Akoranga report.</p>
	<p><b>Learning Past 5pm</b> has a learning area focus such as literacy or numeracy and happens at least once a term. Everyone is welcome to attend these afternoons, they are fun, give whanau an idea of what happens in your child's classroom, teaches new skills and empowers whānau to help their tamariki learn at home. Attendees go home with helpful resources and games.</p>
<p><b>WRS ANNIVERSARY REPORTING</b></p>	<p><b>WRS Anniversary Reporting</b> is another avenue to enhance our school learning partnership. It currently operates for Junior school learners. Parents are invited to meet with the Junior teachers (Y0-3) to talk about their child's learning progress shortly after starting school, at 5.5 years, 6 years and 7 years. Whānau are given strategies/games to support their child's learning at home.</p>
	<p><b>Reading Together®</b> is a gold standard, research-based workshop programme which helps parents/whānau to provide effective support for their children's reading (and thereby also supports teachers in their classroom programmes). We will inform you when these sessions will be available.</p>
	<p><b>Project Wy</b> is about leadership and relationships. The Project strengthens community and whānau relationships and strengthens home/school partnership. It's about our young people and whānau leading the way. Project Wy works closely with primary and intermediate schools around South Auckland to select who they consider to be their future young leaders of the community and beyond. We then work with the student and their parents to mentor their development as a leader while raising their educational aspirations.</p>

## The Healthy School Lunch Programme - Ka Ora, Ka Ako

Ka Ora, Ka Ako | The healthy school lunches programme aims to reduce food insecurity by providing access to a nutritious lunch in school every day. Regular nutritious food is vital for children's physical, mental and educational development. It affects their ability to focus, concentrate and learn.

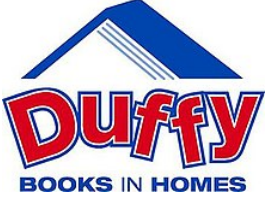

At Wymondley Road School, we have a Healthy Eating Policy. We want to ensure that our students develop healthy habits for their lifetime and that while they are learning at school they have the sort of healthy food that will help to keep them going all day.

Here are some things to keep in mind when packing your child's morning tea

- We are a **WATER ONLY** school, so we encourage you to send a water bottle that children can fill up and drink throughout the day. Alternatively, we have fountains around the school for use during break times
- Fruit is provided through our 'Fruit for School' programme, as a 'brain snack' every morning
- We encourage a Litter Free Lunch - that is food that is made rather than bought from the store.

## Initiatives that support student learning

	<p><b>Garden to Table</b></p> <p>The Garden to Table programme builds skills for life through highly practical, hands-on classes - not only teaching growing and cooking skills but also building awareness of individual and collective responsibility for the environment, healthy eating and community connectedness.</p> <p>Further information: <a href="http://www.gardentotable.org.nz">www.gardentotable.org.nz</a></p>
	<p><b>Fruit and Vegetables in schools</b></p> <p>Fruit in Schools (FIS) encourages children to eat more fruit and vegetables and to adopt healthier lifestyles. Through this programme, the Ministry of Health is aiming for a jump-start to healthy eating and lifestyle choices by reaching children in regions of high social and health needs.</p> <p>Further information: <a href="http://www.5aday.co.nz/5plus-a-day/fruit-vegetables-in-schools/">www.5aday.co.nz/5plus-a-day/fruit-vegetables-in-schools/</a></p>
	<p><b>KickStart Breakfast</b></p> <p>A community partnership initiative helping more tamariki and rangatahi achieve their best by getting a kickstart to their day. KickStart Breakfast provides kai and guidance to help schools to run a successful, sustainable breakfast club to meet their needs.</p> <p>From 8am to 8.30am breakfast will be available to students who have not had breakfast before leaving home. Monitors will help to set up breakfast and pack it down each day. No breakfast will be served after 8.30am to give time for monitors to be back in class.</p>
<p><b>Ka Ora, Ka Ako</b></p> <p><i>Healthy School Lunches programme</i></p>	<p><b>Healthy School Lunches</b></p> <p>Ka Ora, Ka Ako   The healthy school lunches programme aims to reduce food insecurity by providing access to a nutritious lunch in school every day. Regular nutritious food is vital for children's physical, mental and educational development. It affects their ability to focus, concentrate and learn.</p>
	<p><b>Walking School Bus</b></p> <p>A Walking School Bus is similar to a normal school bus except children walk to and/or from school along a designated route, under the supervision of adult volunteers (often parents), who act as the Walking School Bus driver.</p> <p>Walking School Buses reduce the number of cars on the road, making our environment safer and cleaner, and they provide exercise for children in a fun and social way.</p>
	<p><b>Friends of the School (FOTS)</b></p> <p>This team is made up of WRS staff and parent volunteers. Anyone can be part of FOTS, however it is overseen by the Deputy Principal. The team's main focus is to provide resources for our learners that will enhance their learning or learning space. This is done mostly through community engagement, funding applications and fundraising.</p>
	<p><b>Kids Can</b></p> <p>Kids Can partner with schools all over New Zealand including Wymondley Road Primary School to provide kids with the basics such as food, clothing and hygiene products.</p>
	<p><b>Duffy Book in Homes</b></p> <p>Duffy Books in Homes gifts students brand new books to over 100,000 New Zealand three times a year. We have Duffy Role models visit us and they tell the kids "It's Cool to Read and Cool to Achieve" and make a connection between success and reading.</p>

## **Schoolwide Permission**

As you know in this day and age it can be difficult to get hold of parents, caregivers and whānau in the event of illnesses, accidents and emergencies, and school trips. Although we aim to communicate with parents and caregivers and give out permission slips and notices in advance, sometimes these can be lost and misplaced.

A school-wide permission slip is used in the event of us not being able to contact you in an emergency, and it also enables your child to still participate in local events, education and sports activities outside of school grounds (EOTC)

A list of items we require your permission for are

- Permission to administer Pain Relief (Paracetamol) in the instance of your child being in pain, headache etc.
- In an EMERGENCY, the school has permission to "Act on Behalf of"
- Permission to access any relevant medical conditions from Department of Health
- Permission for your child to take part in Education Outside The Classroom (EOTC)/Outside of school activities i.e. minimal risk trips such as walks around the community
- Permission to display your child's photos and your child's work for educational purposes in and around school, in our school newsletter, on our school/educational websites e.g. Facebook and for Organisations or Agencies that are organised through Wymondley Road School
- Permission to display your child's videos for educational purposes in and around school, in our school newsletter, on our school/educational websites e.g. Facebook and for Organisations or Agencies that are organised through Wymondley Road School

## **Information & Communication (Parent Consent)**

Wymondley Road School seeks your permission to allow your child/ren for the safe use of Digital Learning at Wymondley Road School. Below are the guidelines below and sign at the bottom of this form if you agree with the terms and conditions.

On behalf of your child you agree for them to be a safe, responsible and ethical use at all times by:

1. Respect others and communicate with them in a supportive manner; never writing or participating in online bullying.
2. Protect my privacy, not giving out personal details, including my full name, telephone number address and passwords.
3. Handle ICT devices with care and notifying a teacher of any damage or required attention
4. Not accessing blocked websites e.g. Facebook
5. Not interfering with network systems and security, the data of another user or attempting to log into the network with a username or password of another student
